Notable Testimonials

Shannon Popkin, popular woman's speaker and author of "Control Girl" and "Comparison Girl" wrote, "I've said to so many friends, lately, who are facing parenting challenges: 'Hey, there's this podcast...' I so appreciate the way Aaron balances hard-to-swallow truths with a tone of love, concern and 'Yeah, me too' empathy. I've been binge-listening the past month or so, and I find the truths shared on Truth.Love.Parent to be both intuitive and greatly clarifying. I'm feeling more equipped to parent even my young adult children — not with ease, but with peaceful confidence."
